Greetings to All,

Once again, we are making plans to meet for our annual APNEF meeting. **The 2022 APNEF annual meeting and conference is scheduled for Friday, November 4th with the executive board meeting on the evening of Thursday, November 3rd.**

Given circumstances related to COVID-19, and their financial impact, our organization has had to move to a one-day event held at a local school affiliate. The 2022 conference will be held at Marion Technical College in Ocala, Florida. Please plan to make your own accommodations in the event you need to stay overnight in the area. Boxed lunches and light refreshments will be provided for the event.

As you look at the conference schedule, you will see that the APNEF executive committee has worked industriously to provide as many contact hours as possible. We are pleased to be able to provide 6.0 contact hours. We hope to see you all the annual Fall Workshop.

Respectfully,
Lisa M. Wright, DNP, MSN, RN, NE
