

ASSOCIATION OF PRACTICAL NURSE EDUCATORS OF FLORIDA

2016 BUSSINESS MEETING AND FALL WORKSHOP

CONFERENCE EVALUATION RESULTS

Are you interested in speaking or presenting at this conference?

Only two people responded yes to this request their name and topic

Are you willing to be a speaker or a facilitator for a round table discussion

__Only two educators responded yes and placed their name and contact information

Should we continue to have the conference at the Embassy Suites in Altamonte Springs?

The majority responded yes, this is a central location for most of the state. Many of the concerns voiced 2015 were corrected (WiFi in rooms and conference room, carpet cleaned). A few from further north wanted it moved north, but we have to consider the Keys. Many asked about Disney, well the conference is within a 20-30 minute drive to Disney and other theme parks.

Would you prefer a hot 50 or cold 15 , Either 6

I will ask the cater to accommodate the Veggie Option , Diabetic option and those who do not want Pasta .

Would you like to serve on the executive board and in what capacity.

__Majority responded **NO**

Do you feel that this conference was informative and useful as a practical nurse educator?

- Overwhelming **YES**

How would you like to see this survey administered in the future?

Many said Survey Monkey , at the mid year meeting we discussed the possibility and will see if this can be done for the 2017 conference.

Additional Comments: **Rectangular table set up**... I spoke with the set up staff and we will try class room style with tables. This will put people further back and we will try for speakers half way to help with hearing speakers

More handouts: There were sufficient handouts because when the conference was over many were left on the tables. It is also hard to predict when more than half of participants do not pre- register.

Additional Vendors: We sent out for at least 6 this year and so far the response has been sparse.
