Commissioner of Education

Rod Duckworth, Chancellor  
Division of Career and Adult Education

November 15, 2017

Dear Colleagues:

My name is Pamela Gilman and on November 6, 2017 I earned the honor of becoming the new State Supervisor for Health Sciences and Human Services in the Division of Career and Adult Education with the Florida Department of Education. I wanted to take this opportunity to introduce myself to all of you and tell you a little about my background.

I have worked in healthcare for almost 30 years in various privately owned clinics, doctor's offices, and hospitals all over the U.S. Having been a military family member I had the opportunity to move often and this provided me with the experience to work in many diverse environments. I have been living here in Tallahassee for ten years now and have made this wonderful city my permanent home. I have an Associate of Science Degree in Medical Assisting and Bachelor of Science Degree in HealthCare Administration. I have been a Certified Medical Assistant (CMA) for 28 years. Two years ago I transitioned from working in the clinical setting to a more administrative role, however I do plan to keep my CMA certification current as well as my membership to the American Association of Medical Assistants (AAMA) as they both provide up to date resources and information.

As most of my experience has been in the clinical setting this will be a learning experience and opportunity for growth as I set forth on this new path in my career. I welcome any advice and information from any and all of you to help make this transition a smooth one. I also have a wonderful group of colleagues here at The Department of Education to assist me and answer any questions I may have.

Please feel free to contact me at any time. My contact information is listed below and please feel free to share my contact information with other colleagues that you feel I may be able to assist as well. I look forward to working with each of you. Thank you for your time.

Sincerely,

Pamela Gilman  
State Supervisor, Health Sciences & Human Services
